

REMARKS/ARGUMENTS

Claims 1-25 are currently pending in this application. Claims 5-10 are withdrawn. Claims 1, 2, 11 and 12 are canceled. Claims 3, 13, 15, 19, 21 and 25 are amended. Support for the amendment to claim 3 is found in original claim 1. Support for the amendment to claim 13 is found in original claim 11. Support for the amendment to claim 15 is found in original claim 11 and paragraph [0014] of the specification. Further, support for the amendments to claims 19, 21 and 25 is also found in original claim 11.

Claim 9 is objected to because of a missing period at the end of the claim. Applicant submits it is actually claim 19 that is missing a period. Claim 19 is amended to insert a period at the end of the claim.

Claims 15-25 are rejected under 35 U.S.C. 112, second paragraph as allegedly being indefinite. Claims 15, 19, 21 and 25 allegedly lack sufficient antecedent basis for the limitation "the pixels", and claims 16-18 allegedly depend on indefinite claim 15. Claim 15 is re-written in independent form to include the limitations of base claim 11 and to provide antecedent basis for "the pixels". Claims 19, 21 and 25 are amended to depend from claim 15. Claims 16-18 depend on a definite claim 15. Claim 20 depends on a definite claim 19; and claims 22-24 depend on a definite claim 21. Thus, claims 15-25 overcome this rejection.

Claims 1-2 and 11-12 are rejected under 35 U.S.C. 103(a) as being unpatentable over United States Patent 5,756,885 in view of United States Published Application 2004/0179193 A1. These claims are canceled and thus, this rejection is moot.

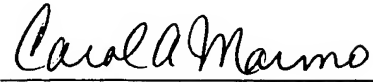

Claims 3-4, 13-14 and 15-25 are identified as allowable subject matter. Claims 3-4 and 13-14 are objected to as allegedly being dependent upon a rejected base claim. Claim 3 is re-written in independent form to include the limitation of base claim 1. Claim 4 depends from a valid base claim 3. Claim 13 is re-written in independent form to include the limitation of base claim 11. Claim 14 depends from a valid base claim 13.

Claims 15-25 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, and to include the limitations of the base claim and intervening claims. Claim 15 is amended to include sufficient antecedent basis for "the pixels". Further, claim 15 is re-written in independent form to include the limitations of base claim 11. Claims 16-25 depend from an allowable independent base claim, and therefore are allowable.

Applicant submits that claims 3-4 and 13-25 are allowable, and respectfully request the Examiner to issue a Notice of Allowance for these claims.

Application No. 10/761,080
Amendment dated September 13, 2006
Reply to Office Action dated June 13, 2006

Respectfully submitted,
